CORIUS Group opens new location in Karlsruhe

Increasing the network's reach in southern Germany

Munich/Karlsruhe. The CORIUS Group expands in Baden-Württemberg. MVZ Hautzentrum Meyer-Rogge in Karlsruhe is joining the network as of 1 September 2023, adding another key location to the leading dermatology and phlebology group in order to improve comprehensive medical care.

The dermatology practice, founded by Dr Dirk Meyer-Rogge in 1997 and located at the heart of the city, is a central port of call for patients in and around Karlsruhe. Whether treating skin ailments, diagnosing and treating skin tumours, or outpatient surgery, the practice offers its patients the whole spectrum of classical and aesthetic dermatology, as well as special expertise in allergology, phlebology and laser treatment.

MVZ Hautzentrum Meyer-Rogge also features the Derma-Clinic, which carries out around 1,200 outpatient operations a year, and the Cosmetic Center, which exclusively offers cosmetic treatments.

Drs Meyer-Rogge are a husband-and-wife team specialised in skin diseases and venereal diseases, and they are supported by three medical trainees at the practice. The medical director is Dr Ellen Meyer-Rogge, a renowned expert on skin ailments in the German media.

About the CORIUS Group

The CORIUS Group is a network of dermatology and phlebology practices and clinics in Germany, the Netherlands and Switzerland. The group's main goal is to design the future of medicine and guarantee comprehensive care. Personalised successor models, attractive career opportunities and a significantly lighter administrative burden for medical staff make the CORIUS Group a strong, dependable partner. Since it was founded in 2017, the network has expanded to include around 60 locations, united by one goal: to design the future of dermatology.
