MVZ Philippstor GmbH: Fourth vascular centre becomes part of the CORIOUS network

Bolstering the phlebological care offered by the CORIOUS Group as of 4 November 2024

Munich/Düren. As of 4 November 2024, the renowned MVZ Philippstor GmbH in Düren is now part of the CORIOUS Group network. With this, the company adds what is now its fourth phlebological centre to its network of expertise, strengthening its medical care offer in the fields of surgery and vascular medicine.

MVZ Philippstor GmbH is a modern surgery centre in the heart of Düren. Thanks to its high-quality treatment concept for all patient groups, the practice enjoys an excellent reputation in the Rhineland region. The practice is located next to the historic Philippstor gate and spans five floors. There, the 36-member team led by medical director Dr Roswitha Brettschneider care for approximately 30,000 patients per year.

The medical team specialise in outpatient vascular surgery with modern surgical and non-surgical forms of treatment for varicose vein disease, plus surgical interventions for inguinal hernias and other abdominal wall hernias. Proctology, liposurgery and plastic surgery are the practice's other main areas of treatment. For the best possible patient-oriented care, MVZ Philippstor GmbH also relies on state-of-the-art ultrasound devices and an extensive range of equipment to provide its patients with treatments and therapeutic approaches that are tailored to them.

'We are very pleased to welcome MVZ Philippstor GmbH to our network,' says Heidi Niemöller, CEO of Corius Deutschland GmbH. 'The centre's outstanding work and high reputation are perfectly suited to our goal of being able to offer patients in all regions of Germany a comprehensive and high-quality range of care in the field of phlebology. We want to work with the practice to further advance the expansion and modernisation of medical care in the Rhineland,' adds Stefano Wulf, CEO of the CORIOUS Group.
